## PRESIDENT'S REPORT

During the fiscal year closed on March 31, 1964 your Board has continued to hold its regular monthly meetings except for the Summer months and that of January which had to be cancelled due to severe weather conditions. The physical resources of our staff were heavily strained because of the added burden of a considerable volume of routine work attending preparations for the Swedenborg Exhibit at the New York World's Fair on behalf of the World Fair Committee of the New York Association, and the loss of the services of our office Secretary from Dec. 20, 1963 to March 3, 1964, for reason of health. Despite these handicaps, the work has been taken care of in an exemplary manner and we continue deeply indebted to our office personnel for their unflagging labor and loyalty.

**Executive Committee:** Meetings have been held monthly throughout the year and urgent interim decisions obtained by mail ballot. Members have actively studied all proposals made requiring executive decision and passed on to the Board affirmative or negative recommendation. Among those recommended and approved by the Board were:

- (1) Payment of the \$1200. budgeted and \$200. additional to the Swedenborg Institute of Asia for the Chinese Translation of *Divine Love and Wisdom*. A 5000 copy issue has been printed and is in process of distribution.
- (2) Two contracts with Citadel Press for its editions of 5000 each of *Divine Providence* and *My Religion*.
- (3) A potentially recoverable participation of \$6,200. (approximately 1/3 of cost) for production of a Sound-color 20 minute film based on the Wayfarers' Chapel. This has been completed and accepted by the Film Committee of the Protestant Council of the City of New York for inclusion in the daily showing program in the main auditorium of its World's Fair Pavillion.
- (4) A grant of \$10,000. to the New York Association of the General Convention towards cost of the Swedenborg Exhibit at the World's Fair.
- (5) A potentially recoverable investment in the production of a packet of 5 minute message phonograph records for World Fair and outreach distribution.

The increased tempo of Foundation activities has resulted in heavier demands on the time of members and more careful consideration of proposals. Due to overlapping committee memberships and in order to save time, all meetings have been held jointly with the Editorial and Publication Committee: During the period this committee has approved:

- (1) A Style Sheet for use in all our publications.
- (2) Planned the publication of Dr. Walter Marshall Horton's three addresses on Swedenborg in one booklet.
- (3) Articles for Encyclopedia Americana on
  - (a) The Church of the New Jerusalem and
  - (b) Swedenborgianism
- (4) Texts for taped messages at the World's Fair.
- (5) Preparation of a new booklet on *Revelation*.
- (6) Preparation of a new *Handbook for Bible Students* for both New Church and commercial distribution utilizing the material assembled in the old *Dictionary of Correspondences* which will not be reprinted.

The Committee has approved a project to prepare a series of footnotes to a new edition of *Arcana Coelestia* dealing with the archeological and other developments subsequent to Swedenborg's time which have a bearing on the content. This is being undertaken by Mr. John E. Lister, Chairman of the

**Distribution, Arcana-Fund Committee:** Total distribution has fallen considerably short of the previous year's record which reflected results of special free distribution campaigns among libraries, clergy (largely for the Iungerich Fund) and a remainder of the cheap paperback newsstand editions, now practically exhausted. The Citadel Press has reported first quarter sales of 1709 of their paper-editions, which were issued toward last year end. We have mailed complimentary copies to Life Members and the New Church Clergy, Outreach groups and the leading religious book reviewers in North America. A complimentary review appeared in the Los Angeles Times. Curtailed advertising has occasioned a reduction of orders, principally for *Heaven and Hell* in the New York Area, which we had come to feel were mainly from the idly curious. Wayfarers' Chapel sales also diminished.

The 2,000,000 volumes distributed (30% sold, 70% donated) since 1849 averages out at 16,850 yearly. This average includes the increase in distribution during the past five years, totaling 129,000 volumes, averaging 26,000 yearly (70% sold and 30% donated).

**Law Committee:** Here our principal activity, has been the follow-up of Trust Fund problems, counseling Tax matters, review of insurance risks and coverage, problems involved in proffered bequests and, projected contracts with commercial publishers.

**Investment:** We have continued using the services of Brown Bros. & Harriman as counselors and custodians and have acted on several substitution recommendations by them. Sales at substantial book profits, with reinvestment at current prices is the principal cause of the increase in total book value. The proportion of bonds and equities is 60% and 40% respectively (at book value).

**Advertising:** Analysis of returns, both numerically and qualitatively, in relation to costs, has occasioned some curtailment, particularly in the New York Area, and experimentation with new formats is continuous. The best results seem to show a cost of two dollars per book sold through advertisement. New methods are under constant study.

**Public Relations:** The continued demand for reprints of the Christian Herald article *Religious Offbeat* has occasioned another issue, slightly revised, of 10,000. We have continued to offer the American New Church Tract and Printing Society grants for a number of pamphlets to be sold to congregations for free distribution by their outreach groups. No advantage has been taken of this offer since Helen Keller's *How I Would Help the World*, was distributed except for a leaflet for the World's Fair Exhibition.

Since the activities of the Dean of the Chapel at George Washington University had been severely limited by his physician due to a stroke, no "Faculty Colloquy" program was held this year. Transcriptions of several of the Faculty Colloquy addresses have been mimeographed and may be obtained on request.

Material was furnished Senator Lausche which enabled him to include reference to the Swedenborgian missionary activities of Johnny Appleseed in a commemorative address delivered in the U.S. Senate and included in the *Congressional Record*.

A Swedenborg birthday release was issued to some 800 newspapers of major circulation throughout the United States and Canada.

An article entitled, "Robert Frost: Old Testament Christian" was distributed through the facilities of Central Feature News to some 800 local newspapers. We have received some 30 clippings of actual publication.

A volume of inquiries occasioned by the Swedenborgian Exhibit at the New York World's Fair has already begun to materialize.

The conclusion of an arrangement with a nationwide distributor with its own public relations division was deferred pending development of a number of prerequisites which will take some time to deal with.

Arrangements were made with Mrs. Louis A. Dole to continue until completed publication of the *Arcana* lessons in the Messenger from notes prepared by her husband before his death.

We distributed 5,000 copies of the 1964 Swedenborg Calendar.

During the year we added the Standard Edition titles of *Heaven and Hell* and *Divine Providence* to the list of those available in Trade Bindings. Dust Jacket designs are being prepared.

**Outreach Program:** (Formerly the Colporteur Committee). As successor to the late Rev. K. R. Alden, the new chairman John E. Lister has undertaken supervision of this activity and is distributing a new set of instructions to all New Church congregational outreach groups in an effort to organize more effective distribution through local missionary programs.

The Committee now supervises the distribution through 17 Advertising Outreach groups and individuals and 10 non-advertising distributors. Distribution by these during the period is estimated at 5,100 volumes. Total distribution expense (not including cost of the books), was \$3,180.00.

We sadly record the death on August 16, 1963 of Mrs. Mildred Merrick, who for over 30 years had been among our most constant distributors.

**Work for the Blind:** During the year 75 sets of Talking Books of the Rev. Karl R. Alden's *City of God*, were completed and 48 sets distributed to libraries throughout the country. A new talking book of the entire text of *Heaven and Hell* was approved for the 1964/5 budget and has already been completed and is being distributed.

**Prize Essay Contest:** With the conclusion of the contest at Union Theological Seminary announced in our previous report a new one has been arranged for 1964/5 at the School of Religion at Syracuse University on "*The Christian Doctrine of Man in Swedenborg's Thought*".

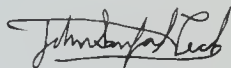

**Budget:** For the coming year we are recommending a budget total of \$100,000.00 as against anticipated income of \$88,000.00. During the past fiscal year we underspent our budget and show a surplus of \$14,000.00 (against which we have deferred commitments for \$1,500.) due largely to postponement of promotions and projects budgeted for pending better estimate of publishing requirements more directly related to World Fair opportunities. We have, for example, just contracted a 10,000 special World Fair Edition of *My Religion* and are

negotiating for new Citadel Press editions of *Heaven and Hell* and *Divine Love and Wisdom*, with Introductions by Helen Keller.

**Overseas:** Besides grants to the Swedenborg Foundation of Asia for Chinese translations, we have increased our support of the translating and publishing work of Rev. Shiro Torita and Rev. Yoshii Yanase in Japan. The support budgeted for Korean translations has not yet been drawn upon. With the help of the printing equipment acquired with our assistance, the Swedenborg Verlag has issued new German editions. No further assistance has been requested from Europe or the Philippines. Work is proceeding on revision of the Spanish Text of *Heaven and Hell*. We have as yet been unable to come to any satisfactory arrangement with a publisher with adequate distribution facilities in Latin America.

Taking advantage of the offer of a Portuguese interfaith evangelical group which offered to translate and distribute certain of Swedenborg's Writings if we would pay the cost of printing, we approved an allocation of \$750.00 for a modest experiment, the title chosen being *The Spiritual Life: The Word of God*.

I don't want to close without a word of warm appreciation for Life Members, whose generous contributions of time, talent and treasure have inspired and strengthened our hands during the past year.

80 PINE STREET  
NEW YORK, 10005

April 30, 1964.

Board of Directors,  
Swedenborg Foundation, Incorporated,  
150 Fifth Avenue,  
New York 11, New York.

We have examined the accompanying statement of net assets of Swedenborg Foundation, Incorporated as of March 31, 1964, and the related statements of income, cost and expenses - general fund, and changes in net assets for the fiscal year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. Marketable securities held by the Foundation's investment custodian were confirmed to us by the custodian. As to income from grants, bequests and gifts, and from the sale of books it was not practical to extend our examination beyond accounting for receipts as recorded.

In our opinion, the financial statements referred to above present fairly the net assets of Swedenborg Foundation, Incorporated at March 31, 1964, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

## NOTES TO FINANCIAL STATEMENTS

1. Investments are carried in the statement of net assets at book amount representing cost as to bonds (less reserve for amortization of bond premiums), stocks, etc., purchased in the open market.
2. The Foundation has one-half interest in the residuary estate of John Hudson Chambers represented by assets held in Canada. The assets are distributable under the terms of the Will after the decease of certain life tenants. Fixed annuities are payable, if earned, to various beneficiaries during their lifetime from the income of the major portion of these assets, any excess of income being paid to the residuary legatees. The income from the remainder of the assets is shared by other life tenants (or their surviving widows), the residuary legatees sharing in the income in the ratio of the deceased life tenants.
3. In prior years the Foundation received certain gifts and bequests (in addition to a \$40,000. general bequest) from John Ellis as follows:

|  |                              |
|--|------------------------------|
| (a) Gifts requiring principal and income<br>to be used for a specific purpose                                  | \$10,000.                    |
| (b) Bequest to supplement above amount,<br>if additional amount is required,<br>otherwise for general purposes | 20,000.                      |
| (c) Bequest with prayer to use for<br>specific purpose   | 10,000.                      |
|  | <hr/> <u>\$40,000.</u> <hr/> |

The Foundation believes that no part of the \$20,000. bequest (Item b above) will be required for the purpose specified in the gift and has classified this amount as general funds. Although it is the intention of the Foundation to carry out the purpose set forth in the prayer with respect to the \$10,000. bequest (Item c above) the Board of Directors voted to treat this item as an unrestricted bequest.

## Directions for the Guidance of Persons Desirous of Making Provisions by Will for the Uses of the Foundation

It is the safer course for such persons to consult a competent lawyer of the State where the property may be limited. Especially is this important if the property to be given consists of real estate. The laws of more than one State provide that a devise of land situated within that State cannot be made directly to a foreign corporation for charitable uses — that is, cannot be made to such a corporation organized or situated in some other State or Country than the State in which the land is situated. In such cases, Form 4 (below) should be used. In several States, moreover, no such devise or bequest is good, unless a certain time after the will is made shall elapse before the death of the testator.

It is impracticable to give directions which will be in conformity with the varying statutes of all the States. But except as for those States whose law requires a certain time to elapse between the making of the will and the death of the testator, the following forms are believed to be respectively sufficient:

### FORM I

#### *Bequest of Money*

"I give and bequeath to SWEDENBORG FOUNDATION, INCORPORATED, organized under the laws of the State of New York, the sum of                      dollars."

### FORM II

#### *Bequests of Notes, Bonds, etc.*

"I give and bequeath to SWEDENBORG FOUNDATION, INCORPORATED, organized under the laws of the State of New York."

*(Here describe the notes, bonds, stocks, or other property intended to be given, not consisting of land or houses.)*

### FORM III

#### *Devise of Real Estate*

Located in the State of New York, whose laws permit a devise to be made directly to this Foundation; and also adapted to a devise of land in any State whose laws may permit that land situated in such State may be devised to charitable or benevolent corporations located in another State than the State in which the land is situated.

"I give and devise to SWEDENBORG FOUNDATION, INCORPORATED, organized under the laws of the State of New York, and to its successors and assigns forever, all that certain"

*(Here describe the real estate intended to be given, following, if possible, the description given in the title deed, in order to avoid uncertainty.)*

## FORM IV

### *Devise of Real Estate*

Located not within the State of New York, but in any other State whose laws do not permit a devise of land to be made directly to a corporation for charitable uses organized or situated outside of such State.

"I give and devise to

*(Here insert names of trustees)*

all that certain piece or parcel of land and premises with the appurtenances, bounded and described as follows:

*(Here insert the description, which, if practicable, should follow that given in the title deed, in order to avoid uncertainty.)*

IN TRUST, HOWEVER, for the following uses and purposes: The said Trustees are hereby empowered and directed to sell the same as soon as practicable after my decease; and to pay over the net proceeds thereof to the Treasurer of SWEDENBORG FOUNDATION, INCORPORATED, organized under the Laws of the State of New York, for the use of said Foundation according to the provisions of its certificate of incorporation, and of the laws of the State of New York affecting the powers and uses of said Foundation."

## FORM V

### *Bequest of Residue*

For the bequest of residue estate, after payment of debts and specific legacies, the following is suggested:

"All the rest, residue and remainder of my estate of which I may die seized and possessed or to which I may be entitled at the time of my decease, whether real or personal and wheresoever the same may be situate, I give, devise and bequeath unto the SWEDENBORG FOUNDATION, INCORPORATED, a corporation organized under the laws of the State of New York, and to its successors and assigns forever."

## WHEN YOU PLAN YOUR GIFTS TO THE FOUNDATION, REMEMBER THAT

Revenue laws sanction and encourage the support of such institutions as ours by individuals and corporations. As an individual, your payments to the Swedenborg Foundation are deductible up to 30% of adjusted gross income. Corporations may deduct up to 5% of net income each taxable year.

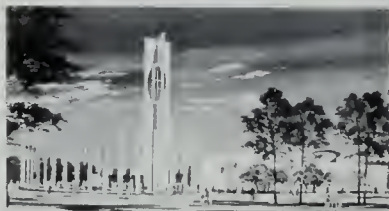

## CONSIDER THE ADVANTAGE OF GIVING SECURITIES

You get double tax benefits when you give securities or other capital assets that have increased in value since you acquired them. You take the present higher value as a tax deduction; and you pay no capital gains tax.

## ADVANTAGE OF PROGRAMMED GIVING

To make it easier, payments may be made in ten equal installments - one every three months. This, or a similar spacing of payments, permits deductions on three income tax returns.
